FOR CHARTER

INTRODUCTION

After a major 3-year refit from the hull up with no expense spared completed in 2014, ANCALLIA is presented for charter in the same condition as a new Feadship. Winner of Best Refit at the prestigious 2015 World Superyacht Awards, she features all new state-of-the-art machinery and a modern-classic style interior by Colefax & Fowler of London. Built for highly experienced superyacht owners, she was designed to exceed the expectations of the most discerning charter guests. ANCALLIA's Captain and crew, including an award-winning chef, have been carefully chosen to ensure the highest level of service for all guests.

The yacht accommodates 12 guests in 7 suites, including an owner's stateroom conveniently located on the main deck. Out on the water, head up to the sundeck, with jacuzzi and BBQ, or jump on the water toys from the ocean-level beach club. The yacht's impressive toy collection includes 2 tenders, waverunners, seabobs and an inflatable sea pool. After a day in the sun, retreat to the main saloon with dining area or the spacious skylounge. ANCALLIA is the ideal yacht for exploring the Mediterranean, with a compact length allowing her to access ports other yachts cannot reach.
