Captain Kerry Flannagan

Before even starting school, Kerry had moved from Scotland to Spain, Trinidad and South Africa, so it's quite fitting that he has been traveling the world since leaving University. After studying he soon realised that a desk job wasn't much fun so went exploring. Kerry now holds a 3000t Master License with the MCA and has used it to sail to many interesting places, many times over. He is very keen on any water sports and even worked in Egypt as a scuba guide. Kitesurfing and snowboarding are currently favourite, but he is also reading towards an MBA specialising in the Circular Economy, Innovation and Enterprise.

Mate Sebastian Cloquell

Sebastian is a sociable and easygoing character, very friendly and always happy to help, especially if it involved his beloved car. His level of customer service is second to none and with 6 years experience in the industry he is an excellent all round yachtsman.

Engineer Claudio Solares

Claudio is from Uruguay, where he attended the Nautical College before starting work on commercial ships and unlike most yacht crew, had traveled the world before discovering yachting around ten years ago, so you're in good hands, but try not to break anything. With the arrival of a new baby, he's finally decided to put down some roots and settle into the good life in Mallorca.

Chef Jon Staley

Jon began his career as a chef in the Navy in 1992 followed by apprenticeships in various upmarket winebars and restaurants around Cape Town. In 1994 he moved abroad and continued to learn, working in various restaurants in Chelsea, Greenwich and the City of London. Returning to Cape Town as a Sous chef in 1999, it wasn't long before he took the reigns as Head Chef of the Award winning restaurant Asara and then the Winchester Mansions and the 5* Lord Charles Hotel. During this time completed two 'stages' in Europe, one at the (Michelin star) Hotel le Saint Paul in Provence and the other at the 5 star Grand Hotel Pallazzo della Fonte on the outskirts of Rome. In search of more 'adventure' and challenges Jon began working in the Super yacht World in 2008.

Chief Stew Anya Michaelska

Anya was born in Poland but spent her childhood in Africa, traveling became one of her biggest passions, which encouraged her to study languages. She is fluent in 5 languages and is a good communicator with a very positive attitude. Anya has chosen a career in yachting due to her strong passion for hospitality and interior design and decorating. In spare time she enjoys outdoor living especially skiing and is highly involved in animal shelters.

Stewardess Claire Bently

Claire has chosen a career as a yacht stewardess where she is able to share her bubbly, personable persona, combined with her creativity, strong background in hospitality and love of living and working by the sea.
