CREW PROFILE – SUMMER 2016

Captain: Damion Moses
Nationality: New Zealand

Year of Birth: 1972
Languages: English

Growing up in New Zealand Damion naturally turned to the sea and worked on the water for 13 years before entering to the superyacht industry. For the last six years, being loyal to the same owner, Damion now knows DAYDREAM inside out from first joining as Mate, working through the refit and 2014 saw him as Captain. His experience in the northern hemisphere has covered Sweden, Finland and Norway in addition to sailing in Europe and Russia on DAYDREAM. Damion also assists in deliveries of the owner's second vessel, a 36m sailing yacht SUNNY HILL. When not on board ensuring the smooth operation and maintenance of DAYDREAM, Captain Damion enjoys fishing, diving, cooking, caving, cave diving, hiking, rafting, sailing and music. Damion is very much looking forward to making your experience on board DAYDREAM an unforgettable one.

Chief Officer: James Maddocks
Nationality: South African

Year of Birth: TBC
Languages: English

James has been in the yachting industry for over 6 years and throughout his career he has travelled across the Pacific and Indian Oceans to stunning and exotic destinations including Tahiti, Fiji, Burma, The Maldives and even as far as Madagascar. He has many sea miles under his belt and much experience and his goal is to qualify for his Captain's license one day. When James is not on board he will be researching for his next surfing destination as he has a huge passion for surfing and travelling, which allows him to stay on top of his fitness.

Chief Engineer: Daniel Shrives
Nationality: New Zealand

Year of Birth: 1976
Languages: English

After completing his five year engineering apprenticeship at MT Marine Engineering in New Zealand, Daniel began his seafaring career in 2007 when he boarded the 40m Shemarra fishing vessel as Chief Engineer. In 2009 he discovered the world of luxury yachting and he joined the 59m M/Y Helios as 2nd Engineer and it is here that he furthered his engineering experience, which he now brings with him to M/Y DAYDREAM. Daniel has a good working knowledge of all types of systems found on board motor yachts and he has a very "hands on" approach and a meticulous attitude when it comes to safety. This is Daniel's first season on board M/Y DAYDREAM and he will ensure that her engines and equipment are finely tuned and in good working order.

First Mate: Martin Fuentes
Nationality: Swedish

Year of Birth: 1990
Languages: English, Swedish & Spanish

In 2012 Martin was on board the 58.5m M/Y Capri at the Monaco Boat Show and since then he has never looked back and has expanded his knowledge by working in ship yards, participating in Boat Shows and gaining his yachting qualifications. Martin loves being busy and will undertake any task assigned to him with enthusiasm. He has a keen eye for detail, he is very polite and M/Y DAYDREAM welcomes Martin on board for his first season.

His interests are wide and varied, but he especially enjoys playing tennis, swimming and cycling.

Deckhand:

Nationality:

Max Palzer

German

Year of Birth:

Languages:

1987

English & German

During his childhood Max spent a lot of his time outdoors, pursuing activities such as white water kayaking and kite-surfing, which he continues to do now, along with cycling. He achieved his Bachelor of Law qualification in 2015, however he has always felt that his calling was a career on the high seas. He has extensive customer service experience and he is looking forward to contribute towards making memorable trips for charter guests.
