# Eye-catching Beauty

IMAGINE, launched in 2011, is one of the most advanced superyachts to be built by Amels – a world leader in superyacht design and construction. This yacht is a big 65 meter with exceptional grace and powerful design. Leading superyacht designers Tim Heywood and Andrew Winch have drawn the lines of IMAGINE to attract the eye from all angles. She incorporates the latest technology, making her one of the safest, quietest and most comfortable superyachts afloat. With her bold contemporary looks and exceptional accommodation and social spaces, life at sea has never been so good as when you're sailing on IMAGINE.

# Celebrating Life at Sea

Life on board IMAGINE gives you the ultimate freedom to enjoy every day as a once-in-a-lifetime experience. On board you can just be yourself. Breathtaking locations are waiting to be explored. A new, exciting world awaits you.

# *Pleasure*

IMAGINE's deck layout offers a great variety of alfresco dining and opportunities for recreation and relaxation. The yacht has been designed to help enhance your personal health, well-being and enjoyment. High on the lofty sun deck, IMAGINE provides her guests with a prime area where water, sun and privacy can be fully enjoyed. The jacuzzi and the mini-beach are just a small step up from the jet-stream pool and the wet-feet bar. One deck below, in front of the wheelhouse, a cosy nook awaits guests who prefer their breakfast in quiet outdoor seclusion.

*Enjoy the finest moments*

# Evening Life

Enjoy some unforgettable sunsets over glittering seas, and then prepare yourself for some unforgettable magical on board IMAGINE. The subtle lighting of the interior can be altered according to the mood of the moment, whether you feel like chilling out under a starry sky, or if you're ready to party until sunrise.

Created by world-famous London designer Andrew Winch, IMAGINE's interior is a marvel of rare and exotic woods and stones. "We designed the interior to be easy on the eye, something you can enjoy. The crew are lovely people, they are expert at making their guests feel relaxed, and we designed the interior to recreate that same feeling of relaxation and comfort."

# Dining in absolute Style

IMAGINE's professional crew makes every day on board as memorable and enjoyable as the day you step aboard. Whether for a special dining occasion or a dynamic diving adventure... each crew member brings something extra to each charter. The yacht's highly experienced crew knows exactly how to make your stay on board unique, and the captain knows how to navigate to all the best cruising spots.

# the Art of Yachting

Wherever you look, the hallmarks of perfection are there. Tiny details, beautifully finished, reveal a yacht that has been designed and built from top to bottom with loving care and attention from master craftsmen. IMAGINE is one of the finest examples of high quality ship building, for which the Dutch are rightly renowned.

# *Living* your Life on Board

# Serious Fun

The outdoor beach club and the extended swim platform bring you right to the water's edge so you can dive in and enjoy the sea, thanks to the wide array of water craft and toys stored in IMAGINE'S large watersports garage. You'll never have so much fun tiring yourself out!
