

CHARTER THE BAHAMAS

LADY VICTORIA

LADY VICTORIA

Relax, unwind
and savor life
on board Lady
Victoria. This 88'
motor yacht offers
every comfort and
amenity for the
ultimate getaway.

Every detail delights the eye. Rich Angier mahogany woodwork is used in the main salon and throughout the yacht with inlays of cross fire and fine burlled grains.

Lady Victoria's splendid interior is completely modern with classic style. The main salon features coffered ceilings, conversation areas, a pop-up 52-inch plasma television, and controls for the ship-wide music system. A round mahogany table with comfortable seating for six is complemented by large windows for spectacular views during meals. Equipped for the professional chef, the country-kitchen style galley includes a casual dining area. Located just forward of the galley, the pilothouse has panoramic views and the latest navigation equipment and ship controls.

Experience the magic of life on the sea as you explore beaches, islands and coral reefs. On deck areas are spacious and inviting with a variety of private areas for sunning, dining and enjoying the ocean breezes.

Lady Victoria's aft deck is spacious with a settee and cocktail tables which may be joined to make a large dining area. Protected from the sun, this area is a popular spot for taking meals, enjoying cocktails, and pleasant conversation. There's plenty of room to stretch out or curl up with a good book. Two sweeping stairs lead down to the swim platform which provides easy access to the water and the tender. The transom door provides outside access to the engine room and crew quarters.

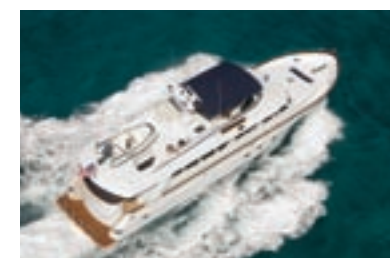

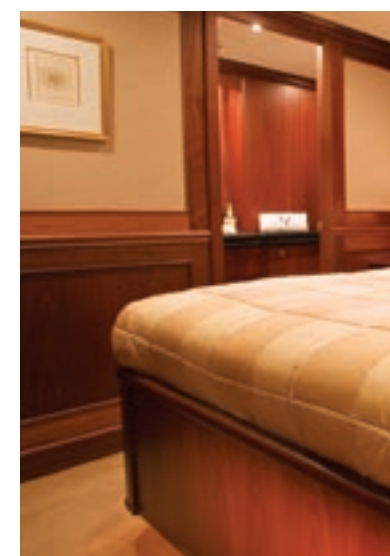

Chef-prepared meals include casual breakfasts and picnics, elegant dinners in the dining salon, and romantic after-dinner drinks on the aft deck.

LADY VICTORIA

The flybridge has a combination of shade and sun for maximum enjoyment. The command center features Stidd pilot seats and forward facing seating. Just aft is a settee with dinette, full bar with teak bar stools, grill, refrigeration, ice and a large, round Jacuzzi tub.

The superb king master is accessed via a private stairway and is finished in mahogany and earthtone silks. Raised panel French doors open to the master bath's massive shower which is finished in granite with gold hardware and features heated marble floors. Two VIP queen staterooms are equally luxurious with oversized ensuite heads. An additional twin cabin is situated forward.

88' MOTORYACHT

Lady Victoria has a host of functional features that contribute to the smooth running of the vessel and guest enjoyment. Deck space is well-utilized; a low-profile telescoping davit makes for efficient tender launching. The crew quarters located aft are commodious and finished to the same standard as the rest of the boat. With accommodations for four crew, this area includes a lounge, crew galley and laundry.
