FEATURES

A striking white hull and superstructure built by Perini Navi and designed by Ron Holland combine with a contemporary Christian Liaigre interior to make 'Rosehearty' an exceptionally elegant sailing yacht. Large deck space includes a side swimming platform, two separate seating areas and a custom cockpit layout with a Jacuzzi and dining for 12 guests. On the main deck, a fully-shaded aft deck dining and lounge area with a 60 inch television leads into the spacious main saloon. Interiors are sophisticated and modern with white linen, pale oak and Hermes leather. Six lower deck cabins include a full-beam master suite and two equal VIPs, all with wireless internet. 'Rosehearty' is maintained in exceptional condition with an enthusiastic and dedicated crew and the ultimate tender, a 45 foot Wally Chase boat.
