AN EXCITING SAILING EXPERIENCE

Rosehearty, a 56-metre luxury sailing yacht by Perini Navi, has few peers. Her classic beauty is a combination of a white hull with long lean lines, smooth curves and black tinted wrap-around windows. Her extreme stability and race speed enhance your sailing experience.

Rosehearty can accommodate up to 12 charter guests in seven spectacularly stylish cabins. Her interior is one of the rare yacht designs by the noted

French designer Christian Liaigre. Crisp white linen sofas, Hermès leather banquettes and beautiful wood define Rosehearty's look.

One of the fastest yachts in the Perini Navi fleet, Rosehearty, has been tested against the other great yachts produced by the legendary Italian boatbuilder. In 2015 she was the fastest Perini in the St Barths Bucket Regatta and she won the 2015 Perini Navi Cup, which was held off the coast of Sardinia.

For those who charter Rosehearty, there is comfort in knowing that the yacht they are enjoying has the ability to perform at speed with comfort and luxury.

BUILT FOR COMFORT

Rosehearty features large open-air deck spaces with many seating and lounging areas inside and out, a custom cockpit layout with alfresco dining for 12+ guests, and a heated Jacuzzi. The fully-shaded aft deck dining and lounge area has a 60-inch television and leads into the spacious main saloon. The interior design created by noted French designer Christian Liaigre is an original combination of classical marine tradition and contemporary elegance.

The innovative use of space and materials adopted by Liaigre further enhances the yacht's very comfortable layouts.
