THE STYLE

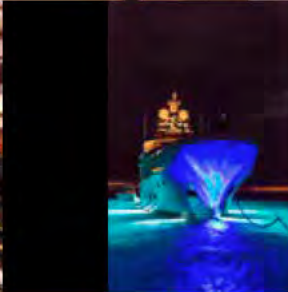

***REMEMBER** When*

“Remember When... wrapped in elegant comfort and surrounded with laughter, we reminisced about today and planned for tomorrow.”

Remember When offers four decks outfitted in elegant, understated luxury. Designed by Carol Wamson & Associates, the interior décor is contemporary yet subdued, with neutral tones highlighted by rich accents that lend a peaceful and sophisticated atmosphere throughout. Uniquely for a yacht of this

size, an elevator serves all four decks, including the sundeck. From the accommodations to the spacious living areas and exterior spaces, each guest area is meticulously maintained. This refined and welcoming interior is complemented by a Captain and professional crew who pride themselves on exceeding expectations.

REMEMBER When

"Remember When..." at the end of each fulfilling day, we curled up on the sumptuous sofas and truly relaxed..."

Oversized windows invite panoramic views with the Remember When's main deck. Forward of the temperature-controlled aft deck, the main salon beckons through an entryway housing an upright piano. Beyond the spacious seating area and dining table for twelve, the main-deck foyer is graced by a stunning marble sole featuring custom inlays. Further forward, the private owner's office leads into the master stateroom.

FINE DINING

THE BRIDGE

REMEMBER When

“Remember When... we dined alfresco amidst ever-changing, breathtaking views. Remember When we watched that movie we hadn’t seen in years.”

A massive round table for twelve with a motorized lazy Susan commands the bridge deck aft. This is a conditioned space also houses built-in seating areas and a 60" flat screen television. A bar with seating for six, 55" 3D television and elegant seating areas are situated within the sky lounge. Here guests can take advantage of the Crestron Pad-controlled entertainment system and Kaesche escape library housing over 4,000 movies. The sky lounge foyer leads forward beyond a dayhead into the wheelhouse.

***REMEMBER** When*

**“Remember When... the kids danced for joy.
Remember When we joined them.”**

Accessible by elevator, the sundeck offers every amenity for relaxation and entertainment. A large spa pool surrounded by sunpads situated forward, while buttnettees with a table face a full bar and grill under the protection of the radar arch. A treadmill and free weights invite an invigorating workout while the aft portion of the deck can be transformed into a yoga studio or massage area. The entire deck is air-conditioned and can be further protected with sun shades.
