Water Sports

Number of cabins: 4

Cabin configuration: 3 Double, 1 Twin

Bed configuration: 1 King, 1 Queen, 1 Double, 2 Single

Guests sleeping: 8

Toys: Not specified

Once again Benetti amazes sea lovers: The Benetti 85 is a displacement yacht rich in extraordinary glamour and flawless style! The Benetti 85' or Legend series is the smallest of the Italian shipyard's semi-custom range. With a volume to rival many 30 metre superyachts, the exterior design is inspired by the traditional style of yachts from the 60s and 70s that focused on function rather than form. Sheltered side decks, a large hard top and fly bridge – equipped with al fresco dining, seating and sunbathing area and bar- overhang afford protection from the sun, while a large foredeck area gives sun-worshippers their due. Built for long-range cruising, the 85's displacement hull has a 1500nm range at 10 knots and a top speed of 14 knots, while a bow thruster and a Stabilisation-at-Ancor system by VT Naiad are both standard equipment. SOFIA OF TORTOLA, built in 2008, features a contemporary and cosy Francois Zuretti interior, illuminated by large windows. Four light and spacious guest cabins offer accommodation for up to 8 guests. All cabins are equipped with flat screen TV and DVD/CD. Beautiful silk bed linen, designed by Malo (owner's and vip cabin) and Borbonese (guest cabins).
