## Interior

Styled by UK-based designer John Munford, TELEOST's vast interior is a modern classic. Equipped with a full entertainment system, the salon also has a huge selection of music, games and books for guests to enjoy.

On the main deck forward, the salon leads into a stunning formal dining room with seating for 12 guests. On the upper deck, TELEOST's sky lounge is the ideal space to kick back and relax. Enjoy a cocktail from the wet bar or watch the latest blockbuster with the Video-on-Demand entertainment system. Have fun with the onboard karaoke system or simply sit back and enjoy the spectacular views from the top deck.
