THE WORLD
ABOARD W.

HERE'S TO A DAY WELL

AND MEMORIES MADE.

When the jet skis are stowed, the
paddleboards, SeaBobs, bicycles, water
skis and kayaks put away, you take a quiet
moment to look out onto the sparkling
water and reflect.

You've finished the book, snorkeled amidst
a colorful undersea world, danced the
cha-cha, discovered a new favorite recipe,
experienced total exhilaration as you
traveled from the sundeck to the water
on an inflatable slide, searched for buried
treasure, barbecued your first catch, slept
like a baby, laughed, laughed again, and
laughed some more.

Deserted pink sand beaches lapped by crystal clear waters as far as the eye can see, glistening in the afternoon sun. Absently swirling your toes in the soft warm sand while a starfish beckons closer inspection... Snorkeling an undersea reef, getting up close and personal with swimming pigs and the Bahamian Dragon iguana in the Exumas; immersing in the colorful culture of the BVIs, seeking the green flash off the Pitons of St. Lucia... W is ready to take you there.
