Built in Bodrum, Turkey and launched in 2007, the M/S Zephyria II is a 32 meter long **luxury gulet** with five cabins. She has all the amenities and the elegance of an exclusive yacht.

The accent is on a comfortable and elegant atmosphere created through a high woodwork quality and an intelligent design, resulting of all the experience we have had with boatbuilding and yacht chartering so far.

On the stern deck, M/S Zephyria II offers a vast cushioned area, comfortable sofas and a dining area with an elegant as well as practical design. The forward deck has a semi- circular seating area with two smaller tables for happy hours.

Fully air conditioned, M/S Zephyria II has 5 cabins: **a master suite, two double and two twin staterooms**. Each cabin has an en suite bathroom with fully enclosed shower in natural stone mosaic tiles, hair dryers and electric toilets.

Other amenities include custom bathrobes, down comforters, individual air conditioning controls in each cabin and a fully equipped galley.

Aboard you'll find all safety and navigation equipment, VHF, freezer, refrigerator, ice maker, washing machine and dryer. For your entertainment: satellite TV in the saloon, VCR, CD and DVD player in the saloon.

Water sports: 4m70 Zodiac with 60 hp outboard, water ski and wakeboard (fuel is extra), 2 canoes, snorkeling gear, windsurf upon request.

Our crew (skipper, chef, hostess and two deckhands) is friendly, kind, efficient and knowledgeable. Each of them will contribute to make your Blue Cruise an unforgettable experience.
